MINISTRY OF LABOUR, INDUSTRIAL RELATIONS AND EMPLOYMENT CREATION

MEDIA RELEASE

For **Immediate Release**; 23 April 2020 - Windhoek

CAUTION AGAINST FRAUDSTERS TARGETING PUBLIC MEMBERS

The Ministry of Labour, Industrial Relations and Employment Creation (MLIREC) would like to caution public members against fraudsters claiming to be employees of this Ministry. It has come to the attention of MLIREC that fraudsters are contacting members of the public particularly employees who have labour cases at the Labour Commissioner (LC) with intention to solicit money from them.

All pending cases with the LC that were scheduled for conciliation/arbitration during the Covid-19 Lockdown period are postponed until the Lockdown ends. The LC will communicate with all parties accordingly and as usual, all hearings will be held at the LC and nowhere else. The public is hereby once again reminded that all services rendered by the LC are offered free of charge. The Office will remain closed until 04 May 2020.

Members of the public are instructed to request the full names and identity numbers of anyone who might call them in relations to pending cases with the LC, and contact Labour Commissioner, Henri Kassen (0811220017) immediately to report and verify whether they are indeed employees of MLIREC or not.
